A LETTER FROM OUR EXECUTIVE DIRECTOR

A PLACE OF HOPE AND COMPASSIONATE CARE. THESE ARE SOME OF THE MANY WISHES SHARED BY OUR FAMILIES STAYING AT THE RONALD MCDONALD HOUSE AND RECEIVED IN ABUNDANCE.

Every family who enters our doors brings with them their unique story. Their stories are most always defined by uncertainty, love and hope. In many cases, great sacrifices have been made and RMH Jacksonville has become their destination, their temporary “home away from home” when they are seeking the best medical treatment for their child.

2014 was a milestone year in the history of RMH. It was the year when the previous years of planning the expansion of the Ronald McDonald House came to fruition. And, it was the year we launched our “Expansion Campaign” to fund the expansion of the “The House That Love Built.” This brought with it a host of important initiatives: finalizing the construction designs and plans, planning for the future of our larger organization and determining which innovative programs would best support the changing needs of our families.

Our RMH Family Room at Wolfson Children’s Hospital continued to serve over 25,000 visitors a year from the Jacksonville community by providing a very special place of respite during a critical time. Our waiting room is located just outside the pediatric intensive care unit and is staffed with our very special volunteers who greet our visitors with compassion and care.

At the Ronald McDonald House, our occupancy rate continued to be at 100% as the demand for families needing our services continued to increase. We responded to this demand and partnered with local hotels to provide a place to stay for over 500 families so they could have access to medical care. Longer term stays have increased at RMH as our hospital partners deliver care for complex and critically ill children.

Through every activity whether fundraising, programming, family support or house operations, our mission always shines through to provide the highest level of care and hospitality. We know this would never be possible without the concern and commitment of our many friends who support our special families. We hope you will continue to support us as we look towards our exciting future in 2016.

DIANE BOYLE
Executive Director

Our Programs

RONALD MCDONALD HOUSE

The House provides lodging, food, transportation and support to parents and siblings during their stay. We also have a special staff member, a trained facility dog named Reed, who provides loving therapy and comfort to the families. We support five healthcare partners in Jacksonville including Wolfson Children's Hospital, Nemours Children's Specialty Care, UF Health Proton Therapy Institute, UF Health Jacksonville and Brooks Rehabilitation. The 30-bedroom House allows families to stay together and close to their children during a very trying time.

THE RONALD MCDONALD FAMILY ROOM

Our Ronald McDonald Family Room located in Wolfson Children's Hospital has been serving and supporting Northeast Florida families since 1993. Visitors to the Family Room are greeted by RMHC of Jacksonville volunteers who offer snacks, coffee, support and a listening ear. These dedicated volunteers also help answer any questions families may have about the local area, hospital contacts or directions.

SINCE 1988, RONALD MCDONALD HOUSE CHARITIES® OF JACKSONVILLE

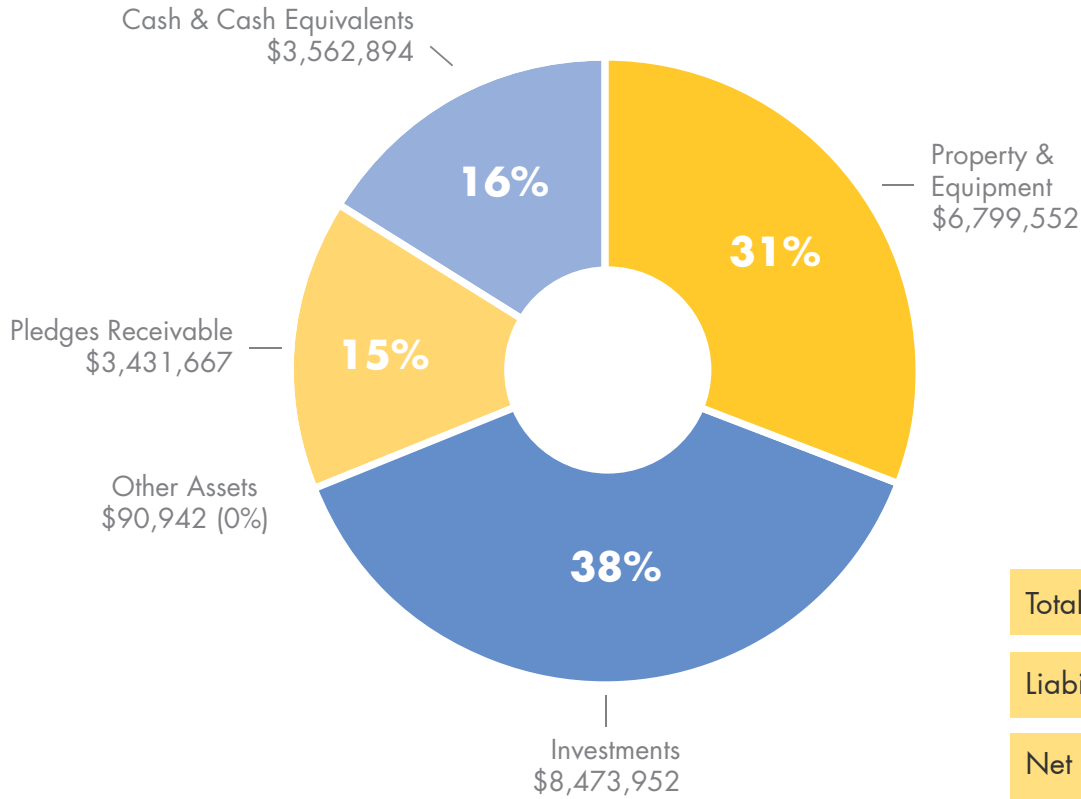

has provided a "home away from home" for families who travel to Jacksonville during their child's illness and injury. Our story began with just 10 bedrooms in our original location on Jefferson Street and today we care for 30 families each night at our House in the San Marco neighborhood. The care and compassion families receive is made possible by generous donors, dedicated volunteers and committed staff members.

We are grateful for the support from the community that allows us to give the gift of togetherness to families when they need it most. Each day we see the comfort that a child feels from having their loved ones close by during their illness or injury. By supporting our mission, you help to provide the comforts of home and to create special moments for our families.

FINANCIAL HIGHLIGHTS

The average length of stay was **8 days**

The longest a family has stayed at RMHC of Jacksonville is **127 days**

1,234 volunteers gave more than **20,259 hours**

A LEGACY OF GIVING TO BE HONORED IN
“Growing the House That Love Built”

RONALD MCDONALD HOUSE CHARITIES OF JACKSONVILLE IS PLEASED TO HONOR THE GENEROSITY OF MRS. MARY VIRGINIA TERRY

and the late Mr. C. Herman Terry by formally naming our Ronald McDonald House facility the Mr. and Mrs. C. Herman Terry Campus. Not only has our organization benefited from the generous gifts of Mr. and Mrs. Terry but we also have been fortunate to have their active involvement and leadership. Mr. Terry served as the Chair for the original Capital Campaign for the current House in 1998, and Mrs. Terry serves as Honorary Campaign Chair for the current Expansion Campaign and is also a member of our Advisory Board. She shared her thoughts on supporting our mission:

“I am happy to be able to help the Ronald McDonald House with their expansion. It doesn’t seem that long ago when my late husband led the campaign to build the present house. The Ronald McDonald House was very important to Herman just as it is to me. I hope others in our community will be inspired to help care for the families who stay there. Their generosity will make a big difference in helping the House grow to serve all those in need.”

– Mrs. C. Herman Terry

Mrs. Terry’s generosity and support of our expansion and renovation project will allow us to meet the increasing demand of families who need our program. Her gift has already inspired others in the community to be a part of this monumental time at the House. We are proud to recognize the Terry’s for the long-lasting dedication and support for more than 26 years.

We extend our sincere love and appreciation to Mrs. Terry for continuing her and her late husband’s legacy of giving and “Growing the House That Love Built”.

Did You Know?

There are still naming opportunities available for the expansion and renovation project. Please contact Carol Harrison at 807-4672 for more details.

A LETTER FROM *Delores Barr Weaver*

THE RONALD MCDONALD HOUSE HAS LONG BEEN A SPECIAL PLACE

for Wayne and me. We were involved in the campaign for the current house and are excited to share in this exciting new phase of expansion for Ronald McDonald House. As a member of the Advisory Board, my continued involvement in the House has allowed me to see firsthand the necessity and impact of the Ronald McDonald House and its programs for families who are in crisis during the illness of a child.

As Jacksonville continues to grow as a destination for world-class pediatric care, more and more families are traveling to our community to seek treatment for their children. While no parent ever wants to be in this position, the Ronald McDonald House provides the care and comfort that can help them continue their difficult journey. The addition of 24 bedrooms and a completely upgraded facility will allow the House to continue their mission of offering a soft place for these families to land.

Get Involved Today

I am delighted to be a part of another expansion, and I invite all of you to support this important campaign. The transformation from the current House of 30 bedrooms to the demand for an expanded House of 54 bedrooms clearly indicates how much Jacksonville has grown and progressed over the past 30 years. As part of my personal gift to the Expansion Campaign, I have pledged to match all public gifts of \$25,000 or less up to \$500,000. Please know that no gift is too small to make a significant difference for the families that call Ronald McDonald House home for a few days or many weeks. Will you help move us closer to our \$13,000,000 goal?

Ask any family who has been touched by the Ronald McDonald House, any volunteer, or any staff member, and all will relay that the mission is not served without collective involvement. From the volunteer groups preparing family dinners for sixty-five people each night to all the ways people find to contribute to the House, it truly takes all of us to offer a "home away from home" to families who need it most. I am hopeful you will join me on the journey of "**Growing the House that Love Built**" and together we will help serve and welcome more families to our wonderful city.
