### INDEPENDENT AUDITORS' REPORT

To the Board of Directors Ronald McDonald House Charities® of Jacksonville, Inc.

### **Opinion**

We have audited the accompanying financial statements of Ronald McDonald House Charities® of Jacksonville, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ronald McDonald House Charities® of Jacksonville, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ronald McDonald House Charities® of Jacksonville, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit opinion.

# **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise doubt about Ronald McDonald House Charities® of Jacksonville, Inc.'s ability to continue as a going concern within one year after the financial statements are available to be issued.

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, ad design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ronald McDonald House Charities® of Jacksonville, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities® of Jacksonville, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### Note 1: DESCRIPTION OF THE ORGANIZATION

Ronald McDonald House Charities® of Jacksonville, Inc. (the "Organization") is a nonprofit corporation established to support the health and well-being of children by providing lodging and other services for critically ill, chronically ill and seriously injured children and their families. The Organization is licensed by McDonald's Corporation as an independent chapter of Ronald McDonald House Charities®, Inc.

The Organization operates a Ronald McDonald House® (the "House") in Jacksonville, Florida which provides lodging and other support services to families who have children with serious illnesses or injuries admitted to Jacksonville area hospitals. The Organization also operates a Ronald McDonald Family Room® at Wolfson Children's Hospital, which is volunteer-staffed and provides a place of respite for families visiting their critically ill child.

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

# **Use of Estimates**

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates that are particularly susceptible to significant change in the near term are related to allowances for uncollectible unconditional promises to give, useful life and depreciation method of property and equipment, fair value of investments, and the allocation of functional expenses.

### Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly liquid investments with an original maturity of 90 days or less.

# Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Contributions and Other Receivables**

Contributions and other receivables are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on contributions and other receivables using the allowance method. The allowance is based on experience and other circumstances, which may affect the receipt of payment. Receivables are considered impaired if full payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible receivables when management determines the receivable will not be collected. At December 31, 2021 and 2020, there was no allowance for contributions and other receivables as management considers all collectible.

# Pledges Receivable

Pledges receivable and unconditional promises to give are recognized as revenue when the donor commits the gift or pledge. Conditional promises to give are recognized as revenue when the specified conditions are substantially met and the promises become unconditional. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows using a credit risk adjusted discount rate. At December 31, 2021 and 2020, all pledges are considered collectable within one year, therefore not adjusted for future cash flows.

An allowance for uncollectible pledges is provided when management determines the receivable will not be collected based on experience and other circumstances. An allowance for uncollectible pledges of \$5,000 was recorded at both December 31, 2021 and 2020.

# Investments

The Organization reports investments in equity securities with readily determinable fair values and all investments in debt securities at their fair values in the Statement of Financial Position. Realized gains and losses on disposition of investments are determined by comparison to specific cost acquisition to proceeds at the time of disposal. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities. Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met (either a stipulated time period ends, or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized.

# Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

# **Property and Equipment**

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

# Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If the future undiscounted cash flows expected to result from the use of the asset and its eventual disposition are less than the carrying amount of the asset, an impairment loss is recognized. Long-lived assets and certain intangible assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell. No events or circumstances were identified during December 31, 2021 and 2020 that would cause an impairment loss.

# **Performance Obligation**

Revenues received in advance related to fundraising events or program services that could be returned to the donor should the funding not be spent in accordance with the requirements are recorded as a performance obligation. The revenue is recognized as earned in the period which the event takes place or the program service funding requirements are met.

### **Net Assets**

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

# Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

# *Net Assets (continued)*

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. The governing board has designated a portion of the net assets without donor restrictions to support the organization's mission and to provide an operating reserve.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from with donor restrictions to net assets without donor restrictions.

# **Revenue Recognition**

Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

# **Donated Assets**

Donated investments and other noncash donations are recorded as contributions at their fair values at the date of donation. It is the Organization's policy to sell donated securities immediately upon receipt.

# Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Donated Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise have to be purchased by the Organization. Volunteers also provide fundraising and House program activities throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

### Functional Allocation of Expenses

The statements of functional expenses report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Expenses not charged to a specific program or supporting function require allocation on a reasonable basis that is consistently applied as follows: depreciation, insurance, occupancy (including utilities), and communications expense (telephone and cable), are allocated on an estimated square footage basis. Office equipment expense, including interest on equipment leases, certain office supplies, general postage and printing, certain professional fees, and information technology are allocated based on full-time equivalents. Salaries and wages, payroll taxes and employee benefits are allocated on the basis of actual time and effort.

### **Income Taxes**

Under section 501(c)(3) of the Internal Revenue Code, the Organization is exempt from taxes on income other than unrelated business income. Unrelated business income could result from rent, administration of self-insurance activities, and commissions. No unrelated business income has been identified.

The Organization utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of FASB ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2021 and 2020, the Organization has no uncertain tax provisions that qualify for recognition or disclosure in the financial statements.

# Subsequent Events

Management has evaluated subsequent events through the date the financial statements were available to be issued, August 15, 2022. See Note 20 for relevant disclosures. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

# Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

# **Recent Accounting Pronouncements**

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The guidance in this ASU and its amendments supersedes the leasing guidance in Topic 840, entitled *Leases*. Under the guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. For nonpublic entities, the standard is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact of this ASU on the Organization's financial reporting.

In September 2020, the FASB issued ASU 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. This change in accounting principal is effective for fiscal years beginning after June 15, 2021. The Organization is evaluating the impact of this ASU on the Organization's financial reporting.

# Note 3: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization receives contributions restricted by donors, and considers contributions restricted for programs, which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. The Organization maintains financial assets, consisting of cash and investments, on hand to meet its normal operating expenses based on its annual budget. Operating expenses are compared to budgeted expenses on a monthly basis and financial assets on hand are reallocated if necessary. As part of its liquidity management, the Organization invests cash in excess of daily requirements in various investments. In addition, the Organization maintains a board-designated fund that allows for annual spending of income and appreciation approved by the board. Distributions are made annually from donor-restricted perpetual endowment funds based on the endowment spending policy (See Note 9).

# Note 3: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY (continued)

The following reflects the Organization's financial assets as of the statement of financial positon date, reduced by amounts not available for general use within one year of the statement of financial positon date because of contractual or donor-imposed restrictions:

| December 31,   | 2021          | 2020          |

| Donor- restricted perpetual endowment  | (1,764,406    | (1,764,406)   |
| Financial assets available to meet cash needs for general expenditures within one year   | \$ 3,514,019  | \$ 3,372,256  |

In addition, although the Organization does not intend to spend from its board-designated fund, other than amounts appropriated for general expenditures as part of its annual budget approval and appropriation, amounts from its board-designated fund could be made available if necessary.

**Note 4: PLEDGES RECEIVABLE** 

Pledges receivable consist of the following:

| December 31,  | 2021                    | 2020                    |  |

Depreciation expense was \$659,585 and \$753,385 for the years ended December 31, 2021 and 2020, respectively.

See Note 8 for details on the restricted land.

### **Note 7: PAYCHECK PROTECTION PROGRAM**

In April 2021 and 2020, the Organization received separate loans of \$287,000 and \$278,100, respectively, under the Paycheck Protection Program ("PPP") pursuant to the CARES Act and administered by the SBA and has reported it as part in the accompanying statements of financial position. The PPP provides for forgivable loans to qualifying organizations. The loans and accrued interest are forgivable as long as the borrower uses the loan proceeds for eligible purposes, including payroll costs, rent and utilities and the borrower maintains specified levels of payroll and employment.

Any unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months. Monthly principal and interest payments on the loan commence on the date the SBA remits the borrower's loan forgiveness amount to the lender or, if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower's loan forgiveness covered period through the loan maturity date of April 2025 and April 2022, respectively.

Subsequent to year-end, the Organization formally received forgiveness of the PPP loan from the SBA in the amount of \$287,000 plus accrued interest. In April 2021, the Organization formally received forgiveness of the PPP loan from the SBA in the amount of \$278,100 plus accrued interest. The SBA forgave both PPP loans, totaling \$565,100 plus interest, and paid the lender on behalf of the Organization, recognized during the year ended December 31, 2021. Further, loans issued under \$2 million may be subject to audit by the SBA. The Organization may be required to return a portion of the loan proceeds at the conclusion of the SBA audit. Any proceeds required to be returned will be repaid under the statutory terms of the PPP Program, including interest at 1%.

Net assets with donor restrictions are reclassified to net assets without donor restrictions when the time restrictions expires or the funds are utilized for the restricted purpose.

Net assets with donor restrictions that are perpetual in nature consist of endowment contributions to be held in perpetuity. Funds include the Children's Legacy Fund and the Kroc Endowment Fund. Contributions to these funds were recorded at fair market value at the time of receipt, \$1,231,574 and \$532,832, respectively. Income from the funds is intended to support House program expenditures and are distributed in accordance with the Organization's endowment spending policy.

# Note 8: NET ASSETS (continued)

The Organization received land with donor restrictions that are perpetual in nature that was recorded at its fair market value at the date of contribution. The land is part of the property on which the facility is built and is donor restricted in perpetuity to be used as the site for the Ronald McDonald House facility. In accordance with the terms of the donor agreement, ownership of the land will revert back to the donor if the land is used for any other purpose and it may not be sold.

### **Note 9: ENDOWMENTS**

The Organization's endowment consists of two individual funds established to support House program expenditures. Its endowment includes donor-restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Absent explicit donor stipulations to the contrary, the Finance Committee of the Organization has interpreted the State of Florida's Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gifts as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization retains in perpetuity and classifies as net assets with donor restrictions (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed in SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

# Note 9: ENDOWMENT FUND (continued)

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment and spending policies determined and recommended by the Finance Committee, and approved by the Board of Directors, for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. The Organization engages professional investment advisors to handle the investment of endowed and other funds. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk.

Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, alternative investments and money market funds. The Organization expects its endowment assets, over time, to produce an average rate of return of approximately 3% over the inflation rate annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to prevent exposing the fund to unacceptable levels of risk.

Spending Policy. The Organization has a policy of appropriating for distribution each year 5% of its endowment fund's average fair value of the prior 12 quarters through September 30. In no case will the distribution exceed 5% of, nor be less than 3% of, the fair value of endowment assets as of September 30 of the previous year. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, all of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to grow at an average rate as indicated in the previous paragraph, less the annual distribution. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

# Note 9: ENDOWMENT FUND (continued)

From time to time, certain donor-restricted endowment funds may have fair values that are less than the amount required to be maintained by the donors or by law (underwater endowments). The Organization has interpreted SPMIFA to permit spending from underwater endowments in accordance with prudent measures required by law. The fund was not underwater for the year ended December 31, 2021 and 2020. The fair value of the fund at years ended December 31, 2021 and 2020 was \$2,160,570 and \$2,001,439 respectively. The original funds amount restricted in perpetuity is \$1,764,406 for both years ended December 31, 2021 and 2020.

Endowment net asset composition by type of fund is as follows:

| Year Ended December 31,                           | 2021            | 2020            |

### **Note 10: FAIR VALUE MEASUREMENTS**

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

# Note 10: FAIR VALUE MEASUREMENTS (continued)

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - o observable; or
  - o can be corroborated by observable market data.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Equities: Valued at the closing price reported on the active market on which the individual equity securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

Corporate and municipal bonds: Valued using pricing models maximizing the use of observable inputs for similar securities which includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*U.S. government securities*: Valued using pricing models maximizing the use of observable inputs for similar securities.

Alternative funds and master limited partnership funds: Valued using pricing models or other valuation methodologies maximizing the use of observable inputs.

# Note 10: FAIR VALUE MEASUREMENTS (continued)

Real estate investment trusts: Valued at the daily closing price as reported by the real estate investment trust (REIT). These REIT's are required to publish their daily net asset value (NAV) which is the price at which units can be traded at the measurement date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Assets and liabilities measured at fair value on a recurring basis, are summarized as follows:

| December 31, 2021  | Level 1         | Level 2     |   | Level 3       | Total           |

### Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total assets. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2 or 3.

# Note 10: FAIR VALUE MEASUREMENTS (continued)

# Changes in Fair Value of Level 3 Assets and Related Gains and Losses

The following table sets forth a summary of changes in the fair value of the Organization's Level 3 assets:

| Year Ended December 31,       | 2021          | 2020 |         |  |
|-------------------------------|---------------|------|---------|--|
| Fair value, beginning of year | \$<br>160,437 | \$   | 151,064 |  |

| Fair value, end of year       | \$<br>235,159 | \$   | 160,437 |  |

### Note 11: CONCENTRATIONS OF CREDIT RISK

The Organization maintains cash with a financial institution in excess of the FDIC limit of \$250,000 by approximately \$1,190,000 and \$1,230,000 at December 31, 2021 and 2020, respectively.

The Organization's credit risk is inherent principally in its investments. Adverse economic conditions either domestically or internationally may result in a reduction of the investments' carrying amount. Market risk of the Organization's investment portfolio is monitored through ongoing review of asset allocations and evaluation by independent investment advisers.

### **Note 12: COMMITMENTS**

The Organization leases certain office equipment accounted for as a capital lease. The capital lease is payable to a leasing company in monthly installments of \$222, maturing in April 2025.

# Note 12: COMMITMENTS (Continued)

Minimum future lease payments under the capital lease obligation at December 31, 2021 are as follows:

| Year Ending December 31,                |    |       |
|---|----|-------|
| 2022                                    | \$ | 2,563 |

# Note 13: DEFINED CONTRIBUTION PLAN

The Organization sponsors a defined contribution retirement plan (the Plan) covering all eligible employees who have completed one year of service and are at least 21 years of age. The Organization matches 50% of the amount contributed by the employee, up to a maximum of 6% of the employee's gross wages. Employees become 20% vested in the Organization's contribution for each year of service, up to five years. For the years ended December 31, 2021 and 2020, the Organization's contributions to the Plan totaled \$19,929 and \$16,642, respectively.

# Note 14: DONATED MATERIALS, PROPERTY AND SERVICES

The estimated fair market value of donated materials, property and services included in the financial statements are as follows:

| Year Ended December 31,                        | 2021 |         | 2020         |

### Note 15: SPECIAL EVENTS ACTIVITIES

Due to COVID, the only event not held during the year ending December 31, 2021 was the McGala. All special event activities were cancelled during the year ending December 31, 2020. Revenues collected in relation to these events were released by the donor to be used for general purposes. Therefore, the revenue was reclassified to be included in contributions.

Special events activities, including donated revenues and expenses (Note 14), consist of the following:

| Year Ended December 31,           | 2021          | 2020          |

### Note 16: COMMUNITY FOUNDATION FOR NORTHEAST FLORIDA ENDOWMENTS

The Community Foundation for Northeast Florida, Inc. (the Foundation), a non-profit charitable foundation, previously received donations totaling \$690,775 in the Organization's name. Earnings from these funds are to be used for the benefit and support of the Organization. Amounts available for granting and received by the Organization from the Foundation for the years ended December 31, 2021 and 2020 totaled \$28,869 and \$31,240, respectively.

### Note 17: RONALD MCDONALD FAMILY ROOM®

There were no expenses in salaries for the coordination of volunteers related to the Ronald McDonald Family Room® licensed ancillary program operations (Note 1) during the years ending December 31, 2021 and 2020. During 2020, the Room was closed due to COVID. At December 31, 2021, the Room remains closed.

# Note 18: SUPPLEMENTAL DISCLOSURES OF CASH FLOW INFORMATION

### **Noncash Investing and Financing Activities**

Capital leased assets in the amount of \$13,495 for the year ended December 31, 2020.

### Supplemental Cash Flow Disclosure

Cash paid for interest totaled \$3,219 and \$2,132 for the years ended December 31, 2021 and 2020, respectively.

### **Note 19: UNCERTAINTIES**

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the Organization. The occurrence and extent of such an impact will depend on future developments, including (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.

# **Note 20: SUBSEQUENT EVENTS**

Management evaluated all events or transactions that occurred after December 31, 2021 through August 15, 2022, the date the Organization's financial statements were available to be issued.

# Note 20: SUBSEQUENT EVENTS (Continued)

In January 2022, the Organization has formally received forgiveness of the second PPP Loan from the SBA. The SBA forgave the PPP note payable, totaling \$287,000 plus interest, and paid the lender on behalf of the Organization.

In July 2022 the Organization formally received notification and two checks totaling \$313,196 from the Internal Revenue Service related to the approval of the Employee Retention Credit applied for by the Organization.
