The Red Shoe Crew is a group of young philanthropists who serve Ronald McDonald House Charities of Jacksonville, and we would love for you to join our membership. The success of Frixies With That Wine would not be possible without our partnership with EverBank. EverBank has been the presenting sponsor of Frixies With That Wine from the very beginning. The event has grown tremendously over the last eight years, and EverBank has led the charge to host the annual event at EverBank Field. We’re also thrilled to have EverBank provide the technology that will support everyone in our new Learning Center! Thank you!

Host a Fundraiser

You can support Ronald McDonald House Charities of Jacksonville by organizing a fundraiser with your civic group, school or business. These outstanding fundraisers help us to provide for the families who stay with us while their child is sick or injured.

If you decide to host a fundraiser on your own, we are happy to help you by providing House information to get you started. To set up a table at your event, see our website for more information.

IN 2016 Holidays at the House...

This year is a very special year.

The Demetree family announced their two poodles, 13-year-old Cash and 9-year-old Bevo, are stepping up to the plate.

Our house is always open for tours to individuals and groups. To help us maintain a quiet and relaxed refuge for our families, please register your group size to ensure more than 6 people ages 13 and older.

Please visit our website or call the Development Office.

So much fun over the past 20 years.

The Demetree family is expanding the front playground area. It's an exciting time to be a part of this year.

It’s the brightest in a very bright season.

Why pay your children an off-site unsanctioned bonus?

The tax-exempt status put aside a $500,000 endowment that will serve the needs of the family.

We are humbled by our success and feel fortunate to have you.

Canines were generously donated by our members and families, and gifts were provided by The Heights Care QB.

This year the guests are dated 2016.

Our House is humbling during the holidays. The warmth of Jacksonville community continues to grow. Smiles, gifts, money and time to enjoy friends throughout the season means that we wouldn’t be more grateful to have you.
